

BRISTOL

City Inn Bristol hotel combines our passion for modern design and innovation with contemporary living. Like all our hotels, City Inn Bristol puts you at the heart of everything that matters.

Situated opposite the Temple Quay Development, a key hub of Bristol's business district and a five minute walk to both Broadmead and the new Cabot Circus shopping centre, this landmark location offers excellent rail, road and air connections to and from the city.

CITY INN, BRISTOL

City Inn, Bristol is custom built to meet your needs – whether you are visiting for business or leisure. There are 167 City guest rooms including City Club Package rooms all designed in a light, fresh and contemporary style. You will also find City Inn's facilities and services are far from everyday.

For example:

- Complimentary wi-fi and broadband access throughout the hotel
- Your own personal Apple iMac computer that is also a TV and CD/DVD player within all guest rooms

- Extensive complimentary library of CD's and DVD's
- High-level sound proofing
- A 'pillow menu' for a sound night's sleep
- 24-hour room service.

CITY CAFÉ, MEETINGS & EVENTS FOOD SERVICE

Our highly skilled team of chefs are available to guide you through your menu selection – making room for personal favourites will be our pleasure. Locally sourced or 'Best of British' features throughout our menus, whether you choose to dine

in City Café, our critically acclaimed restaurant, or to enjoy the exclusive atmosphere of one our private dining rooms. Menu choices are innovative, inspiring and include a comprehensive selection of vegetarian and healthy options.

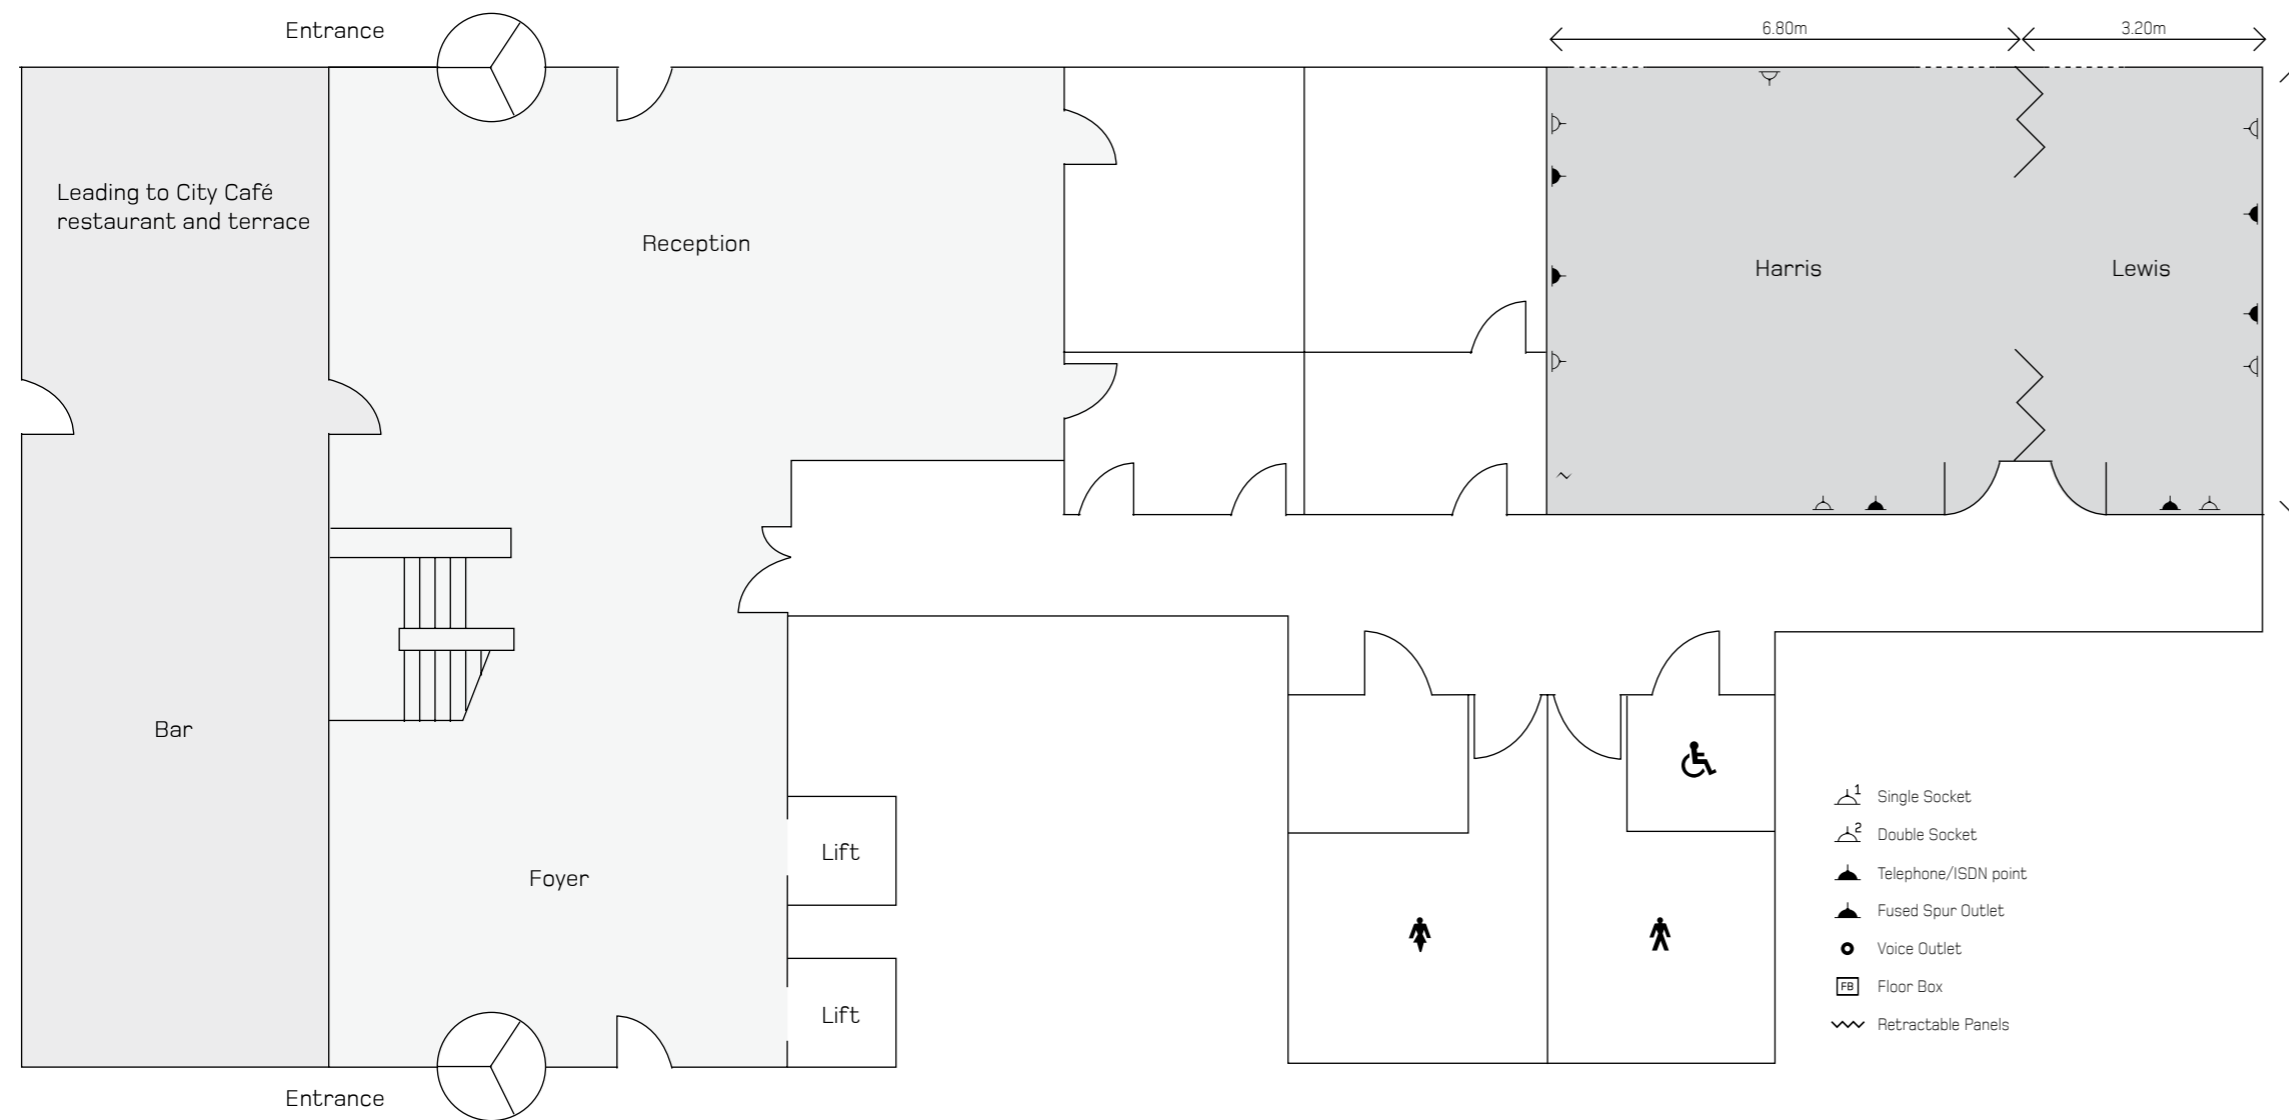

The service team share our enthusiasm for excellent food served with flair and will be happy to help you make a selection from our extensive wine list. We feel sure you will find something to suit every dining occasion.

AL FRESCO TERRACE AND OUTDOOR EVENTS

City Inn offers the unique opportunity to stage your event on our outdoor terrace. Enjoy the freedom of open spaces and summer sunshine with a fabulous selection of al fresco dining menus, summer wines and cool cocktail menus.

Distance to Bristol International Airport by car is 20 minutes/10 miles.

MEETINGS & EVENTS

Above is more detailed information about the capacity, layout and options in our meeting and event rooms. The flexible nature of these rooms allows you to create a space that suits your specific needs.

From 2 to 60 people we are ideally suited to cater for that important meeting, special event, family celebration or private dinner.

All of our meetings and events spaces can be equipped with the latest audio visual technology and you will have access to full business support services including the range of facilities available in our IT Doctor Kit.

WI-FI AND IMACS

Recently, City Inn hotels set a new industry benchmark with the introduction of a groundbreaking multimedia iMac solution in every room. A world first in in-room technology.

With the iMac solution guests can simply flick through up to 38 television channels, 23 radio stations and also switch from DVD, CD and internet at the touch of a button.

The system allows customers to play music via iPod (or MP3 player) as well as giving access to wi-fi, iTunes, iChat, iPhoto, iMovie and an in-built iSight video camera for conferencing, providing one of the most comprehensive in-room entertainment systems currently existing in the market place.

City Inn Manchester was awarded the 'Technology Award' at the European Hotel Design Awards 2007.

The 2008 Business Travel Show saw City Inn receive the 'Innovation Award' in the accommodation category for their in-room multimedia business and entertainment solution with the iMac.

Consistent with City Inn's philosophy of providing a transparent offering, no charge is made for use of the iMac, internet access or the DVD/CD library.
