

# Wine List

We hope you enjoy browsing our wine selection. We have worked closely with two of the most respected wine merchants in the UK to create a considered selection for you to choose from.

Official Vintners and Royal Warrant holders to eight successive Monarchs, dating back from King George III until present day, **Justerini and Brooks** have gained an unrivalled reputation for quality over their 250 years in operation. For this list they have not only provided a collection of beautifully made wines, but assisted in the creation of our very own unique **City Café blend**, which we hope you will get an opportunity to try.

**Lea and Sandeman**, an independent wine merchant, acclaimed as being one of the very best wine merchants in the country, is highly respected for delivering exceptional personal and knowledgeable wine advice. Patrick Sandeman himself has ensured that the finest selection of wines were made available to create our list and we very much hope that you will enjoy your choice.

Within this list you will find an extensive selection of wine by the glass which is made possible by our '**Le Verre de Vin**' system whereby wine is conserved in the bottle after opening to ensure each glass is brought to you in prime condition. In addition, we have introduced a smaller glass size to our range (125ml) in recognition that 250ml is a very large glass indeed! We will now serve a **250ml 'pot'** allowing you to share with friends...
